REFERENCE

MOBILE TERMINAL EQUIPMENT

FlexLoader | arvato distribution GmbH

Project Information

- The FlexLoader L is the central handling element for air cargo handling in arvato's distribution centre in Düren
- Provides highly valuable combination together with Lödige Slave Pallets
- Extremely flexible options for handling courtesy of remote control operation
- Very fast and secure way of handling
- IATA compliant handling of ULD

Customer feedback

Lisa Mainz, Project Manager Logistics Planning, arvato distribution GmbH:

„Thanks to the Lödige FlexLoader we were able to enlarge our distribution activities in the air cargo business. The safe and user-friendly FlexLoader in combination with the Lödige Slave Pallets significantly reduce the time of transshipment."
